Fleet Collision Services - Q4 2025

FEATURED PROJECT:
M. PYNE PETERBILT 379 RESTORATION

Over the years, you may have come to recognize the distinguished fleet of red Peterbilts and Kenworths operated by local dairy hauler M. Pyne Custom Hauling. Fleet Collision was fortunate to partner with owners Mike and Lena Pyne on the latest addition to their fleet, a fully restored 2001 high-top Peterbilt 379.

The truck was originally white with black frame rails that desperately needed some TLC. Our team sandblasted the frame from front to back, removing half an inch of rust in some places. The rails were then coated with an epoxy sealer and sprayed with Peterbilt Viper Red Sherwin Williams Genesis fleet paint. Both front fenders were replaced and the cab and sleeper were sprayed with lifetime warrantied Sherwin Williams base coat and clear coat. The M. Pyne team completed the build by adding custom vinyl striping to match the rest of their fleet.

Fleet Collision is proud to partner with local haulers such as M. Pyne who are working every day to keep our economy moving forward. We appreciate Mike and Lena for trusting us with such a big project and look forward to seeing the truck around town!

ANNOUNCEMENTS

Guardian Heavy Duty Partnership

We are proud to announce that Fleet Collision is now an authorized dealer of Guardian Heavy Duty aftermarket collision parts! Guardian has been selling quality hoods and collision parts throughout the Front Range for over a decade and we are excited to continue the legacy. We currently have a limited inventory but will be stocking hoods, bumpers, fuel tanks, and other collision-focused parts for popular Kenworth, Volvo, Peterbilt, Freightliner, and International models.

All products sold within the Front Range are eligible for **same day delivery and no shipping costs!** Parts can be painted to match your existing color scheme for an additional charge. Reach out to us to explore our current inventory. Visit www.guardianheavyduty.com for more product information.

55th Tri-State Swap Meet

Visit us at the 55th annual Tri-State swap meet on February 7th and 8th at the National Western Complex in Denver! We will be showcasing our line of Guardian hoods as well as selling a smattering of new and used parts we have accumulated over the years. You can find us at booths 367 & 368 on the first floor in the North Stadium Hall.
